Agenda Item No. 08: Tabling the Financial Statements for the year 2018 by the Hony. Treasurer.

The Hony, Treasurer, P.D.jayathilake – IP/ MSD tabled the same,

At the outset, Mr.Jayathilake (Treasurer) drew the attention of the General Assembly to refer to page 8 of the Annual Report where they will find the details under caption the SLPIA – Statement of Income and Expenditure for the year ended 31st December 2018.

He proceeded to explain the details of expenditure recorded in the financial Statement, item by item. Also, at the same time, he offered the opportunity to members, to make queries if any for clarifications. Further he revealed that while going through the Financial Statement, the members would observe that the amount related to expenditure for the year under review 2017/2018 exceeds more than the amount related to income. He said it was owing to the new proposals related to benefits of members such as Donations to Grade V Scholarship Child / Entrance gained to Local State Universities (Sri Lanka)

In the course of his financial statement presentation, he wished to propose that members' monthly subscription towards membership to be increased by at least Rs.600.00 in the future.

Interruption

Mr.Prageeth Premasiri (Assistant Secretary) objected strongly that there is no ethical right for the Treasurer to make proposals during the tabling of Financial Statement. He said that the appropriate time was during tabling of Motions, the treasurer could make proposals or suggestions.

Query

At that juncture Mr.Asela Pulwansa –CI/OIC (Building) raised a query from the Hony. Treasurer whether he could mention the income derived from the total membership for a particular month or the total number of members serving in the Sri Lanka Police. Such facts and figures should be displayed on a day when the AGM was held for information of the General assembly

Agenda Item No. 10: Adoption of the Financial Statement

In the absence of any queries for clarification, the General Assembly was requested to propose for adoption of the financial statement.

Mr. T.N.A Suduwella –IP, SLPC. Kalutara proposed that the financial statement tabled was correct.

Mr. Dharmakeerthi –CI. Narahenpita Seconded.

68th AGM PROPOSALS

Mr. Sanath Ubayasena – CI of Police Medical Services proposed those Minutes & the Financial Statements to be log on to Membership before 02 weeks ahead of the date of AGM as per SLPIA Constitution which was not materialized in last few AGMM.

Mr. Asela Pulwansa CI – Officer in Charge, Buildings Division proposed that the membership monthly subscription to be increased to Rs. 600.00 and it was unanimously approved by the General Assembly. This proposed increased payment will come into effect from May 2019. And as a matter of fact that there were lack of communication among the members due to insufficient mechanism of disseminating the communiqués from top to bottom. To overcome the prevailing issue, he too suggested that ‘a coordinating secretary’ to represent each division shall be appointed enabling the SLPIA to discharge its core objectives without an undue delay or any hindrance.

The proposal was appreciated by all the members present and approved unanimously.

He then cautioned Hony. Treasurer that he should furnish the exact total number of the serving members on the date of AGM and the exact amount that could be derived from the total membership for information of the members.

Mr. Alahakoon – IP / PIM proposed to invite the HE President of Sri Lanka /Minister of Law & Order for the AGM to present the burning issues such as stagnated promotions/Transfers /Housing etc.

House did not comment on the matter as it seems to be an impractical matter to be realized.

Mr. Dinumpura – IP of PMS and Mr. Bandula – IP of FFHQ proposed to recover the legal fees paid to the Attorney-at-law in connection with FR SC 61/2018

In replying to that proposal Mr. Prageeth Premasiri – IP (Assistant Secretary) explain the membership though the counsel promised to pay half of the fee back to SLPIA if the case is failed, it seems an impossible and strange fact as no counsel in the profession would do so and there is no such provision of Supreme Court Rules which govern the profession. Therefore, it is advised to liaise with the counsel and try to get fruitful results from the case.

Mr. Chanaka De Silva – CI / CID proposed that SLPIA shall pursue the State to initiate Risk Allowance to Police Officers considering the nature of duties performed by them which include rank and file as well.

The proposal was approved by the members.

Mr. Chanaka De Silva further proposed that the SLPIA should make initiatives to convince relevant authorities to exonerate or grant pardon the Inspectorate who fell victimized in the face of performing duties.
